

School Uniform Update

You will already have received in our Welcome Guide for New Parents/Carers, full details of the school uniform requirements here at Altrincham College but we would like to keep you up-to-date by passing on to you the arrangements that both of our stockists are making regarding the purchasing of uniform this summer.

Should you have any queries, please do not hesitate to contact them directly. You can find contact details of each stockist, along with their own message to all parents below:

Petites Modes in Sale is now open for uniform appointments. Whilst we are prioritising June and early July for our new starters, we will have appointments available for returning year groups also during August, on a walk-in queuing basis.

To book please use our website www.petitesmodessale.com

If you are ordering on-line it will be delivered by our in-house courier. Your child can then try on garments in the privacy of your own home.

Click and collect will also be available until mid-August.

Please book and be a little earlier this year, this will help us as we get into the busiest month of August.

Don't worry about 'growing room' we make sure garments have lots of it and our returns are extended into September.

Please note: the cut-off date for ordering online is **August 15th**.

Petites Modes looks forward to welcoming you and giving you the very best of service our small shop and big reputation stands upon.

Best wishes

As term draws to a close, we're already looking ahead to September. Monkhouse is working hard to make sure that despite the challenges posed by international shipping, Covid and Brexit, parents will be able to find everything they need.

This is a reminder that the best way to ensure your child has all the uniform they need in good time for the start of the school year is to shop early, if this is possible for you.

Please [book your appointment](#) with Monkhouse now, preferably choosing an appointment in July or Early August.

To stay up to date with news on stock and special offers on uniform and accessories, [register for updates from here](#).

Thank you for understanding. We know not all parents are able to shop early, but the challenges posed when large numbers of families shop in the last two weeks of August is something we are all keen to avoid. After what has been an interesting school year, please help us to help you to ensure we all return in September raring to go!
