

WE WILL
ROCK
YOU

THE MUSICAL BY
QUEEN AND Ben Elton

We Will Rock You

Task:

To design the set for the school's musical production 'We Will Rock You'

The setting is described as a submerged and hidden 'Hard Rock Café' where a group of rebels known as the 'Bohemians' hide with the main goal to bring back live music/ Rock'n'roll which has been suppressed. The place is filled with broken, faded Rock memorabilia- faded rock posters, washing lines of clothes and costumes and broken gold discs.

There is no definitive way to design the show however researching past productions will help you find inspiration. Possible ideas could be to create the environment of a rock concert or to incorporate the lyrics from Queen within the set design. Be creative and have fun!

If your design is chosen, you will be able to see your idea become reality on stage and there will be opportunity to help paint the set. Your design will also be acknowledged in the programme including a write up which is great for a portfolio.

Deadline: Please hand all designs to your teacher before 20th October 2022
