

“To Know  
To Care  
To Live”

12<sup>th</sup> January 2018

Dear Student and Parents/Carers,

### Anti-Social Behaviour Reports

There have been reports of a number of incidents recently involving a large group of young people who are targeting and intimidating other young people in the Altrincham area. This is happening in various locations around the Altrincham and Timperley area including parks, bus stations and metro stations.

The police are working closely with all local schools, the local authority and community groups to quickly identify the young people responsible. The Police and local authority will be taking action against all individuals that have committed any offences.

If you do witness any incidents of this sort please call the police on 101 or if you have information which may assist the investigations, please email [safer.communities@trafford.gov.uk](mailto:safer.communities@trafford.gov.uk). Alternatively you can report any incidents to a senior leader in school.

Our safeguarding advice to all students at all times remains the same for journeys to and from school, in the evenings and at weekends:

- If possible don't walk home on your own.
- Keep valuables, mobile phones, money etc. out of sight.

If you ever find yourself in a situation where you feel threatened;

- Make as much noise as possible to draw attention to yourself
- Find an adult
- Go into a nearby shop / house / restaurant etc.
- You must inform your parents
- Inform your Head of Learning or Form Teacher

When incidents of this nature are reported it is also important to remind ourselves that the Altrincham and South Manchester area remains a safe place to live.

Yours faithfully
