

“To Know
To Care
To Live”

March 2018

Dear Parent/Carer

Safety Awareness

Now we have the longer days and better weather approaching, I am mindful that an increasing number of students will be choosing to walk or cycle to and from school. Please could you take opportunities to speak to them and reinforce the following messages given at school with regards to their safety:

- Take care crossing roads, looking both ways.
- Do not speak to strangers or get into cars with unknown people.
- If cycling to school wear a cycle helmet and brightly coloured clothing.
- Cycle sensibly, following the Highway Code.
- Do not listen to music / wear headphones which could distract from dangers around you.

If you have any concerns regarding your children's safety and welfare to and from school, please do not hesitate to contact me.

Yours sincerely

Miss S Diffley
