

“To Know
To Care
To Live”

Dear Parents and Carers,

Keeping Your Child Safe

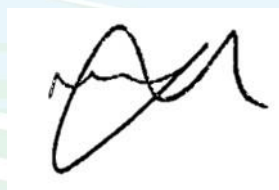

As study leave for year 11 students begins on Thursday 23rd May, I would like to take this opportunity to remind students, parents and carers about personal safety and awareness on the journey to and from school.

Students should avoid having expensive phones or technology on display, take a safe route home avoiding unlit and remote pathways and always contact a parent or police if they feel threatened. In addition and where possible, students should ensure that they arrange to travel in a group and inform parents of their travel time.

I also advise students not to wear headphones as this can be a distraction to outside noises.

Thank you for your support in this matter. If you have any concerns, please do not hesitate to contact us.

Yours Sincerely,

A Keegan

Head of Learning & Pupil Development Year 11
